Dashboard

Welcome to your GIPHY Developer Dashboard. Manage your apps, create new ones, and apply for a production key when your app is ready for production.

Your Apps

Giphy GifTastic

Api Key: LvJLzUrvyKWhhz8x1agKGy9RtgRLrGDl [Request a production key](#)

Create a new app

Create a new app to be assigned a beta API Key for your project. Later, when your app is ready for production, you can apply for a production API Key.

Your App Name

App Description

[Cancel](#) [Create New App](#)

You can rename your app here or change its description. You can also delete your app. Please note that deleting an app cannot be undone. You cannot change your assigned API Key.
